# Electric vehicles

What's the battery life like?

Expensive is it worth it?

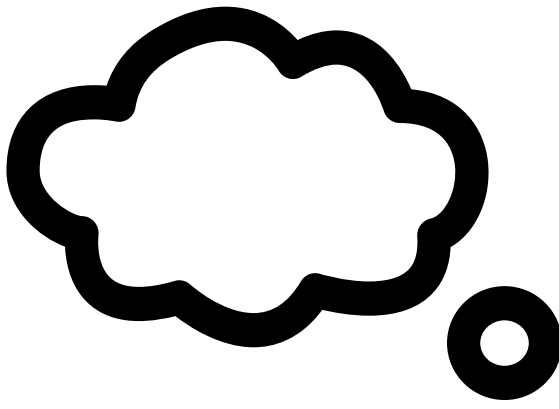

What's the customer service like?

Wants an electric vehicles

I love Tesla so I'm thinking about purchasing a car

Says

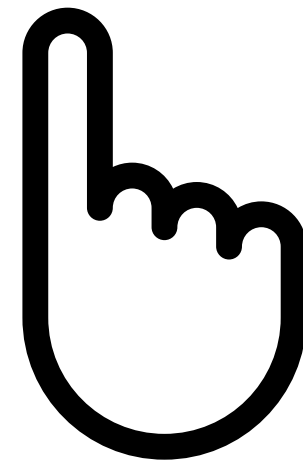

Thinks

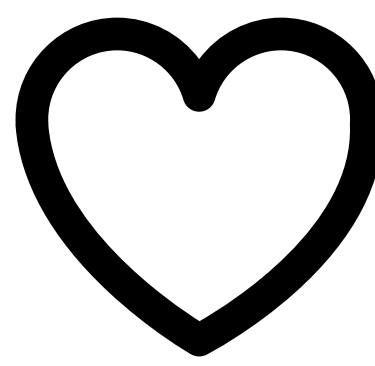

Is the cost of running the car also expensive?

Charging battery at local charge points

Does

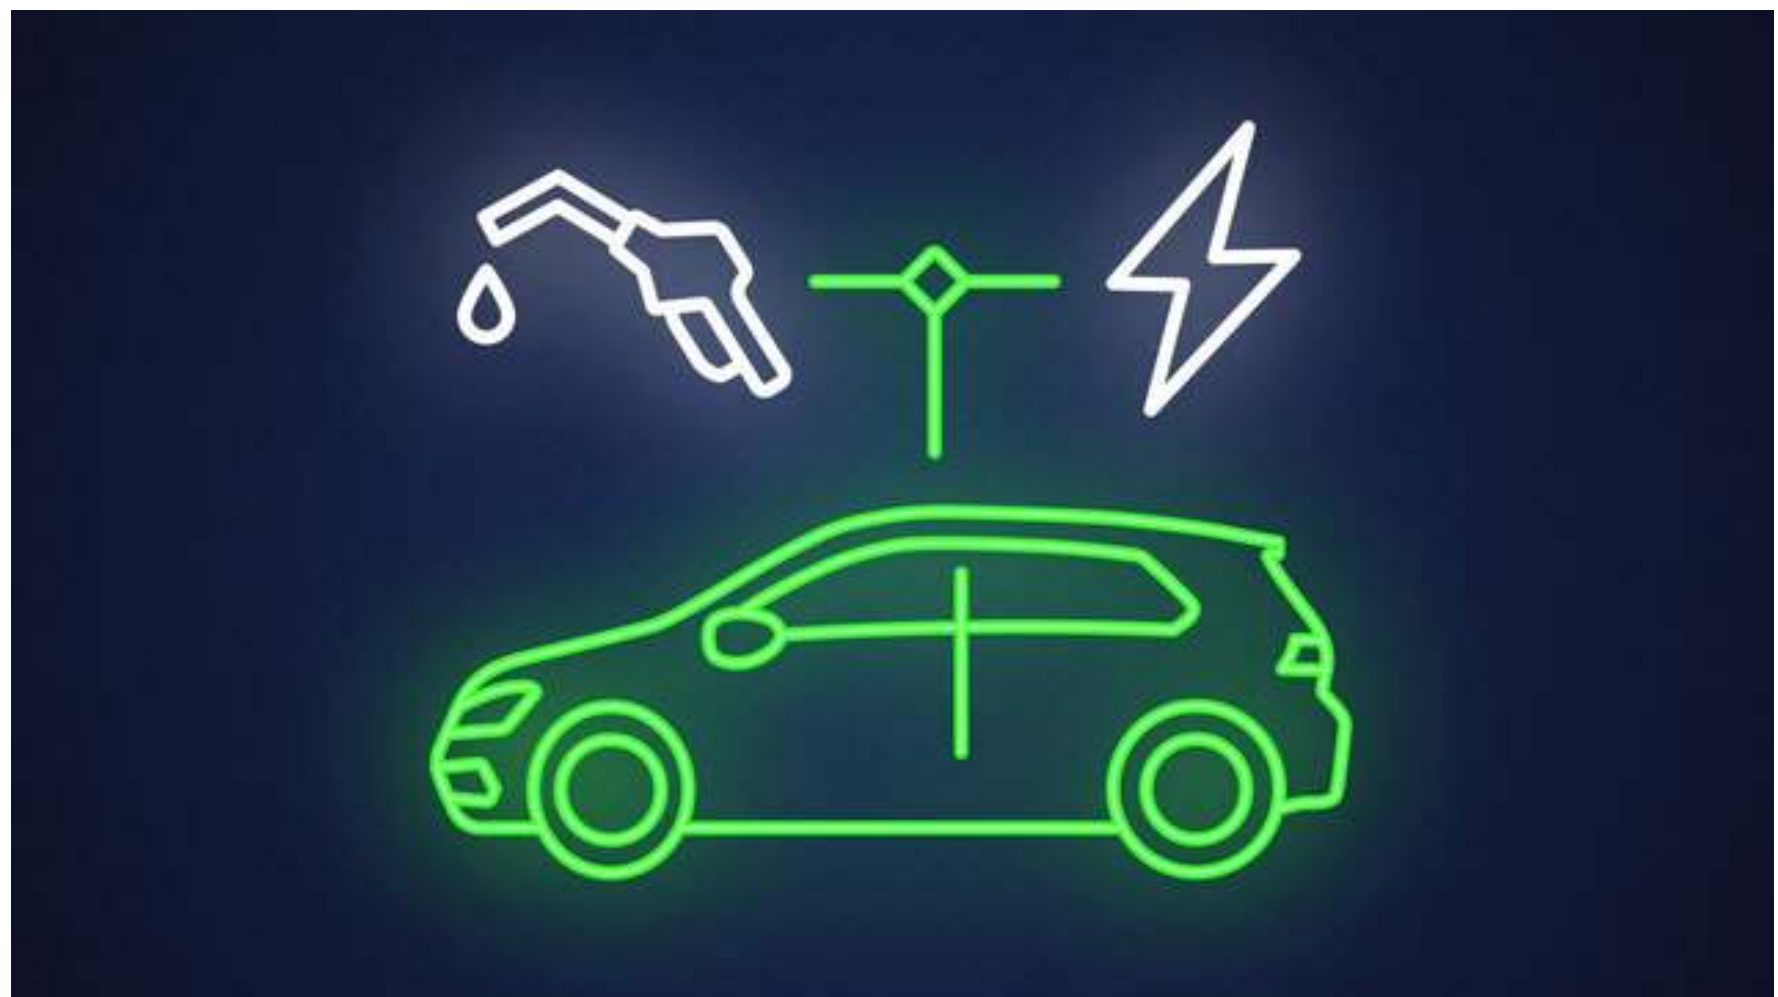

Feels

The car seems safe

Will use the car on weekends and trips

Feels comfortable

Road trips with family

Will I have complete control?
